There are a lot of things I am thankful for this year. Here are a couple of things I am thankful for.

I am thankful for my mom. Some reasons I am thankful for her is she loves me when I have ideas and I love her back. She's always there for me when I don't understand something or I am having trouble with something.

I am thankful for my dad. Some reasons that I am thankful for my dad are he's nice to me because he loves me, he helps me when I am struggling and he works really hard at work so he can give me the things I need.

I am thankful for my dog because: He makes me feel better when I am sad and he's the best dog anybody could ever ask for. And he loves me a lot.

I am also thankful for my grandma because: she is the best!, she loves me more than anything, she's always nice to everyone including me and I always get to visit her.

I am thankful for my step dad because he always makes me laugh when I am sad, he helps me when I need help, he cares about me a lot and he loves me.

I am also thankful that I am healthy and I have food so I can live.

In conclusion, I am thankful for a lot of people and things this year during Thanksgiving time.
