What I am Thankful For

By Aiden Perry

There are many things I'm thankful for in my life. The first thing I'm thankful for is my brother . I'm thankful for him because he's crazy. So when I'm sad he makes me laugh and cheers me up.

The second thing I'm thankful for is my dad. I'm thankful for him because he likes to make jokes and play video games with me. He takes good care of me by feeding me and helping me with my homework.

The third and final thing I'm thankful for is my mom. I am thankful for her because she buys me food ,toys, and water. She helps me with my math homework. She also buys me video games.

These are all the things I'm thankful for this holiday.
