

What I'm Thankful For  
By Tristan Huntley

I am thankful for a lot of things this Thanksgiving. So here's some things I'm thankful.

The first person I'm thankful for is my grandma. I'm thankful for my grandma because she helps me when I need it. She also helps buy food for my family.

The second person I am thankful for is my aunt. I'm thankful for my aunt because she always takes me places. I'm also thankful for my aunt because she teaches me certain things.

The third person I am thankful for is my mom because she gets me clothes for school and supplies every year. She also helps a lot at home to tidy everything.

These are all the things I am thankful for this Thanksgiving.
