

P.S 238  
Class 225

Yara Khalil  
November 13, 2015

This year I am thankful for my family because they make me feel happy, not sad. They give me what I want. They take me to the park. I am also thankful for my friends. They help me spell words I know and words I don't know. They are the best. They keep me safe from bad things. They teach me good things.

My Family

My Friends
