

## *I'm Thankful For My....*

*I'm Thankful for my Mother, and brother we will always love each other. I'm thankful for my sister and the mister who gave me life. Im Thankful for my Grandma who's name is Susannah who will care for me forever. To my Grandpa who is no longer living, I will always remember when you failed making mom's famous rice pudding.*

*I'm thankful for my Friends they're always by my side. With them my life's an adventure, quite a wild ride. My Best friend really proves her title she's there in a snap she's really quite the idol. My friend group always makes me laugh I will always feel included no matter the struggle with me and my friends are there on the double.*

*I'm thankful for my school it gives me an education for the rest of my life I will never regret the satisfaction. My school is where I learn new things like my ABC's and 123 's. School is the place where I found out my passion for acting.*

*I'm thankful for my pet cat cloudy he's as fluffy like a cloud I will always be proud by the way he purrs.*
