

# *I am thankful for...*

**By:Derek Robinson**

I am thankful for many things, some of these things are. Family, I am thankful for family because they love and care for me. Another thing I'm thankful for is animals, I am thankful for animals because they are cute,cool,and some animals provide food and drinks. Something else that I'm thankful for is accomplishments. I'm thankful for accomplishments because they show all the hard work I did and they make me feel proud about myself. To add on, I'm also thankful for friends. I'm thankful for friends because I can play with them and have all types of fun with them. Finally, I'm thankful for life. I'm thankful for life because if I never had life I wouldn't have or be able to do anything. Life is what I'm most thankful for.
