

Im thankful for  
my best friend who  
always makes me  
laugh

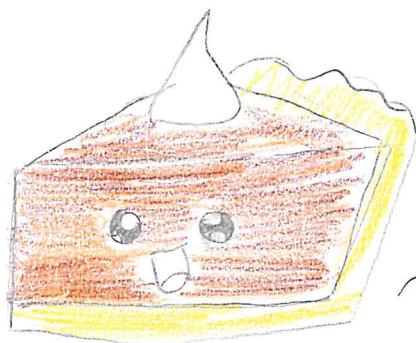

Im thankful for  
my family who always  
keeps me safe

Im thankful for  
weekends that gives  
me a break

Im thankful for  
teachers who have taught  
me much

Im thankful for  
hope, love, and peace,  
as we all should be  
on this Thanksgiving

# Thankful Poem

11-8-14

I am thankful for what I get most of the time.

I am thankful for getting taken in from my nana.

I am thankful for getting a roof over my head.

I am thankful for getting food to eat.

I am also thankful for everything my nana gives me.

I am so thankful my nana loves me.  
I am thankful for a family.

And lastly I am thankful for everything in my life.
