

Jillian Thankful

I am thankful for a lot but somethings I am thankful for are... my family, my dogs, and my friends.

I am thankful for my family because they are very kind, helpful, and funny. We are very lucky in my family, we go on a summer vacation almost every year. Last year we went to California for a week!

I am thankful for dogs because they are my favorite animal. The first animal I ever held was a dog, my chihuahua to be exact. Sadly he has passed. But my sister has 2 big dogs, Leah and Harper. Leah is a German Shepard Rottweiler mix. Harper is a pure Black Lab. I am so thankful for them because they do so much for us by helping people with disabilities. Leah and Harper are not service animals but others are!

I am very thankful for my friends because they are always there for me. Especially Alyssa, Nick, Calleigh and Jessanie. If I feel sick or sad they always ask what's wrong? I am so thankful for them, there have been ups and downs, but they always have my back!

I am thankful for a lot of things, but those are just three things I am thankful for!
