## What am I Thankful for This Year in 2019?

I am truly grateful for what has been given to me.

Being grateful is always the way to go.

I am grateful for my family, who is always there for me.

I am grateful for my friends, who give me support.

I am grateful for my teachers, who give me a strong education.

I am grateful for the importance of life.

Gratefulness, gratefulness, there is a lot to be grateful for.
