What am I thankful for?

I am thankful for my family and friends. Also I am thankful that I got adopted. Sometimes I feel thankful that I'm at a nice school and that I am getting a good education. I am so thankful that I get to see my real family 4 times a year. I am fortunate that I have a roof over my head, food to eat, and clothes to wear, also toys to play with. I have a family that loves me. I also share a bedroom with Gina and I am grateful for that. I have 4 brothers, and 6 sisters. I only live with 1 brother, I can be thankful for that! I am thankful for almost everything!
