THINGS I AM THANKFUL FOR

This year I am thankful for many things. I am thankful for my family, my home and my friends. I am also thankful for many little things like having warm clothes and food. Now the weird things I am thankful for are having a tv and having a Nintendo switch. Now some super little things like toys or yeah toys. But I forgot I am also thankful for school. I am thankful for my family always being there for me and for my teacher.

As you can see, this year I am thankful for many things
