

Thanksgiving is the time of year people take a moment to think about what they are thankful for, ~~and for an example,~~ these are the things that I am thankful for.

One of the gifts I was given, that I am thankful for, is the gift of my friends. My friends make me happy, for instance, when I was upset, my friends made me laugh. Another gift I am thankful for is my family. My family provides for me, takes care of me, and loves me no matter what. The third gift I am thankful for is my education. This education will help me make a living for myself and allow me to get into certain high schools or even colleges. Some people don't have these gifts, while I do, making me thankful for them even more. Everyone is thankful for something, so on Thanksgiving you should take the time to think about how special God's gift to you are, how others may not have them, and how devastated you'd be if they were taken away from you.
