

To me, Thanksgiving is
When my family and I have
a feast and celebrate what
we are thankful for, I am very

thankful for my family. They are always there
for me when I need them. Additionally, I am
lucky to have my cats. They are very funny
and they make me feel joyful. When I am sad,
my cats cheer me up. The last thing I am
glad I have are my friends. They are funny
and we help each other. Finally, Thanksgiving is
a time to be with family and celebrate what
we are thankful for.
