

If you woke up tomorrow morning with the things you thanked God for today, what would you

have? It is very important to be thankful for the things I we are blessed with. I am thankful for many things like my family! When I feel down, upset, or alone my family is always by my side. I also feel very lucky to have a roof over my head. When I am walking around while it's raining, snowing, or a hot day, it's good to know I have a heated or air conditioned house to go home to. Lastly, I am glad to have my cats. On stressful days or nights I cannot sleep, I am glad I'm able to pet my cats Jeff, Janit, and Luna. These are some things I am thankful for.
