

What I'm thankful for.

I'm thankful for my mom and dad. I am thankful for my life, my friends and all of my family. I should be thankful for every thing I have because a lot of people don't have what I have. I'm thankful for God , Jesus , Mary, and Josef. Without God none of us would be here. I'm also thankful for food, water, shelter, clothing and shoes. Some people don't have enough money for shelter or clothing. To be honest sometimes I take even the smallest things for granted for Instant shoes, I didn't like a certain Types of shoes but then I realize some people don't have shoes . So I decided to get them either way. Some people take the biggest things for granted like school or even their jobs when they should be thankful for those things because A lot of people want those things but they can't get it. So everyone should be thankful for what they have .
