

## **Thankfulness Essay**

By Alexander Merrin-Robinson

You might be wondering what I am thankful for. We are all thankful for many things, so I will show you what I am thankful for. I am thankful for many things that includes family, and friends.

The first thing I am thankful for is family. For example, my mom used to rub my eyebrows while I was in bed. I would fall asleep every time. Also, I snuggle with my kitten every single day. He always purrs very loudly.

The second thing I am thankful for is friends. I tell jokes to my friends all the time. They laugh almost every single time! Once, Mazie came over to my house. We both had a great time.

As one can see, I spend a lot of time with my family and friends. It's very fun to see them every one in a while.
