Thanksgiving is a time of year where we are thankful for our family. We love our family for many reasons. I can not wait to sit around the table with my family and share what we are thankful for.

I am thankful for my family because they are nice to me. They love me. They will give me toys. My family will play with me. My family will hug me. They will give me candy. My family will drive me to the park. My family will give me turkey.
