One of the things I am thankful for is my family. My family supports me in so many ways which I think is so nice. They also do so many nice things for me, like letting me play sports and giving me a great room. My family tries to help me as much as they can. That is why I am thankful for my family. Another thing I am thankful for is all of my friends. I have so many nice and kind friends from all different things like sports and school. My friends are always nice to me when I feel down or alone. That is why I am thankful for all of my friends. Lastly, I am thankful for being able to play all of the sports that I play. If I didn't play sports I wouldn't have so many friends that are so nice to me. Next, if I didn't play sports all I wouldn't do that much stuff because sports is something that I do all the time, even when I don't notice it. Those are some of the things that I am thankful for.
