

I am Thankful For

I am **Thankful** for health,
And all my wealth.

I am **Thankful** for my pets,
They help me not forget.

I am **Thankful** for my mother,
She is like no other.

I am **Thankful** for dad,
He never gets too mad.

I am **Thankful** for food,
It puts me in a good mood.

I am **Thankful** for you,
And all that you do.
