

NAME: Olivia Leach

I am thankful for my parents, the reasons why I am thankful for my parents is because they are always there for me. They know when I am feeling down and when I am happy. They gave me a roof to live under and a room to sleep. They took care of me from the start and gave me everything I needed. They make sure I am happy and never down, I love my parents from then to now.

I am also thankful for my cat Jake, some reasons why I am thankful for my cat is because he is funny and nice. I got Jake when I was 5, he was only a kitten. He is always doing funny things and making me laugh. I may annoy him sometimes but it's because he is my favorite cat in the world. When I go to bed he is always at the end of the bed waiting for me to go to sleep so he can lay down on my pillow near me. I am thankful for Jake.

I am thankful for my family, I am thankful for my family because they are awesomely fun. Especially my cousins, we always play fun spy games, tag, or wrestling. Even though I don't see my family all the time I enjoy hanging out with them when I do.

neighborhood, the place where I met my first role model Magret but she moved away. My home is where my heart is and where my parents are too. I love my home.
