

## **Thankful Essay**

By Deziree Garrigan

I am thankful for many different things. I am thankful for my family and my church.

My family is very helpful. I am thankful for my brother because he is so nice to me. My brother plays baseball with me. Also my mom is sweet. She also makes my bed.

I am also thankful for church. Church is fun because it has a playground. I play in the sand with my brother. The Church teaches things that I don't know. I learned that Jesus loves me.

So my family and the church are important to me because they are both helpful for me. Church is helpful to me because it helps me do stuff I don't know in the bible and my family is important to me because my family is helpful to me too.
