I am thankful for having a roof over my head and food, and water. Also i am thankful for all the sports that I can because doing sports make me happy, and proud that I can do them. One other thing I am thankful for is my phone because with my phone i can talk to my friends when i can't see them and i can also hear my favorite song or that makes me happy. I am thankful for all the clothing, and shoes that i have because some people don't have all the things I have. I am thankful for my rights and freedom.
