

Thanksgiving

By: Westin L.

Thanksgiving thanksgiving the best time of year,
I meet with my family for lots of cheer!

Turkey and roast beef the best of the best,
The stuffing is certainly better than the rest.

I definitely smell cookies I thought.
The secret recipe noone Should know,
the secret recipe that cannot be bought.

Steaming with glow,
the cookies are done.
I run to the room and see a colorful show.

The leaves are dancing in the trees,
Thanksgiving Thanksgiving I'm full of glee.
