

What I am thankful for

By Kiara Neal

I am thankful for my mom because without her I would not be alive. She takes me to school, pays for all of my soccer fees, pays for all the bills, takes me to soccer practices and games even when they are out of town and makes sure that I have food and water. My mom always cheers me on whenever she can, but she can sometimes be embarrassing. I still love her though. When I am sad, my mom is always there for me. My mom is always there for me when I am struggling. No matter what it is she is there. My mom has the best hugs in the world. They make me feel safe, warm and loved.
