

What I am thankful for in 2021

I am thankful for my family because they are helpful and nice to me. I am thankful for my grandpa because he was in the navy and he survived. I am thankful for my dog because it gives me company. I am thankful for money because I will be poor without money. I am thankful for a home because I have a place to rest and it is a warm place to stay.

I am thankful for the army because they protect the country. I am thankful for school because it gives me education. I am thankful for teachers because they make me a smarter person. I am thankful for health because there are so many people who are sick and health helps cure the people. I am thankful for my friends because they help me with important things.

I am thankful for Jesus because he saved us 2,000 years ago. I am thankful for God because he created earth and the whole galaxy. I am thankful for the church because it makes me become a Christian. I am thankful for my mom because she helps all around the house. These are things that I am thankful for.
