

I'm Thankful For

By, Elena DeCicco

I'm thankful for people who love me
I'm thankful for people who care
I'm thankful for a family
I'm thankful for clothing to wear

I'm thankful for food on the table
I'm thankful for the home where I stay
I'm thankful to be able
I'm thankful for a bed to lay

I'm thankful for a father
I'm thankful for a mother
I'm thankful for no bothers
I'm thankful for a brother

I'm thankful for a school
I'm thankful for books
I'm thankful for rules
I'm thankful for cooks

I'm thankful for a friend
I'm thankful for a life
I'm thankful to attend
I'm thankful for wildlife

I'm thankful for a lot
And more than you can see
But of them all
I'm thankful for my family
