

Joe adobo contest By Rafael Campos-gatjens

I am thankful for my family. My sister plays with me. My mom helps me with homework. My dad cooks for the family. My mom also does the laundry.

I am thankful for our community. We have a great and kind community. Our community is wealthy. We have a great parish and catholic school. We have great people in our community. We have great houses near the beach.

I am thankful to have clean water. In some other countries they do not have clean water. They could die from the water they drink. We are lucky to have clean water. I am very thankful to have clean water.

I am thankful for our country. We have a wealthy and great country. We have the best armed forces to protect us. We have the best 50 states. Our country is very productive.

I am thankful for our freedom. Some countries are told by a leader what to do. We are free to do whatever we want. Unless we do something bad we go to jail. I am thankful to have freedom. I am thankful for all of the things I wrote down.
