# THANKS

# GIVING!

Thanks giving is  
a magical time  
The most magical  
time of the year  
The feast is the best,  
and the sound

of the  
kids cheering  
on the thanks  
giving day parade

I'm thankful for my family because at one point they won't be here. My mom is always there for me and helps me with my home work and through tough times. My dad is my #1 fan he's always at my soccer games. My brother is funny and puts a smile on my face. This is why I'm thankful for my family...
