

I am Thankful

~ by Mairead Witkowski

Last Thanksgiving was fun
But this one will be my number one

I am thankful for my house
Which will never be a doubt

I am thankful for my family
They will always be my fantasy

I am thankful for my friends
Our friendships will never descend

I am thankful for dog
She loves to go on walks

I am thankful for my school
Which will always be a rule

I am thankful for my clothes
It keeps me warm when it snows

I am thankful for food
Because it puts me in a good mood

I am thankful for everything
Would you like me to start again?
