

Omar Acateco  
6-1

11/10/21  
Mrs Fleming

I'm thankful for my mom and dad because they always have a way to make me happy and always have food on the table. Also for hugging me, playing board games and kissing me good night. I'm also thankful for God for a good life, also because God helped my parents to survive the COVID-19. I'm also thankful for God because of Eucharist.
