I am thankful for many things; These are some of them. I am thankful for my family because they put food on the table. and sad. I'm thankful for my home to sleep in and live in and eat in and drink in.

I am also thankful for my Catholic education to be thankful and to be loving. I am thankful for my religion and that I can go to church every Sunday. I am thankful for God and that one day he will take care of me in heaven. I am thankful for Jesus and that he sacrificed his life for us. I am thankful for my community that is very safe.

I am thankful for my health because without it I may not be healthy. I am thankful for medicines that help me when I'm sick. I am thankful for my country and how strong it is. I am thankful for my water and that some people go without water days. Those are all the things I am thankful for.

I am thankful for my friends and how they play with me. I'm thankful for my friends because they talk to me. I'm thankful for my friends because they help me when I am down. I'm thankful for my friends because they keep me company when I need it. Those are things I'm thankful for.
