

I am thankful for God because he made the world we live in. I am thankful for my parents because they made me. I am thankful for my dog who gave me a sense of responsibility. I am thankful for the armed forces that protect us. I am thankful for the Church and priests that teach us the word of God. I am thankful for doctors that keep me healthy. I am thankful for teachers who teach me math, science, ELA, and social studies. I am thankful for librarians who help us in the world of reading. I am thankful for scientists that make discoveries that move us up in technology. I am thankful for explorers who find new places and new things. And last but not least I am thankful for myself.
