“Thankful Thoughts”

I’m thankful for many things,
Like blue skies and the bird that sings.
I’m glad for my family and friends,
So that, over the summer, fun never ends.

I’m glad for the soundless sleep at night.
I’m thankful for the mornings that bring light.
I’m grateful for the simplest gifts;
My hope, my spirit, my happiness lifts.

I have everything that I could ever ask for.
I’ll never need to ask for more.
I’m thankful for many things,
Like blue skies and the bird that sings.
