I am thankful for many things this year. I am thankful that things are getting back to normal after the Covid-19 pandemic. I am thankful to still have all of my family and friends. I am thankful that no one in my family passed away in the past year due to the pandemic. I am thankful to be in school and learning instead of remotely learning. I am thankful for sports to be back in school, as last year they were not because of the pandemic. I am also thankful for the opportunity to have a great summer and go on vacation because I know there are other people who maybe can not afford it. I am thankful for many things, and I am truly blessed with everything that has happened in the past year.
