

I Am Thankful For My House

I am thankful for my house,
It is in the Poconos,
I go there sun or snow
It's fun to play there
Hip, Hip, Hooray!
I've been wondering,
How often I go,
And then I realized,
I go there every week or so,
But when I have to leave from there,
I am very unhappy,
But then I remind myself,
I'll come there next week
I have mighty ventures,
Skiing through the snow,
Hiking on mountains,
And most importantly,
Having fun with my family
Let's go!!!
