

THANKSGIVING

Scattered leaves and pumpkin pies
Gravy boats where treasure lies
Sweet potatoes with classic stuffing
Mashed potatoes with lots of loving.

Blueberry pie will treat you right
Have a glass of wine and we shall dine
Handprint turkeys, just for fun
Devour a real one, it's all done.

When glass then are drowned
And sharp sweetness has been tasted
When sorrows have been drowned
And not one cranberry droplet wasted.

Apples are gathered
Orchard trees bare
Foods of platter
With tones to share.

Scattered leaves and pumpkin pies
Gravy boats which treasure lies
Sweet potatoes with classic stuffing
Green bean casserole sure is bussing.
