

# Thankfulness

Roses are red  
Violets are blue  
I'm thankful for many things  
What about you

I'm thankful for my family  
I'm thankful for my friends  
I'm thankful for the things I have  
The thank yous never end

I love money

I love trends

I like chicks

And those hens

I'm thankful for everything in this world

But home the most.

Thank you for the inspiration dear cocomelon
