

I'm thankful for many, many things. First things first I am thankful for my family. They help me everyday and they are very supportive. Next I am really thankful for my friends. They helped me since day 1, they make me laugh and smile. Without them my life would be very different. Next I am thankful for getting into this school. I was so upset when I didn't get in, but when I did I was very happy. And that connects to the next thing, This awesome school. I can't imagine being in a different school. Next I am thankful for my really kind teachers. When I was new they helped me fit in and taught me so so much!! I am also very thankful for being able to live in a cozy house. Last but not least I am thankful for delicious food. Without these things it would be very very hard.
