

I am thankful for the qualities that are in me,
They make me who I am; and I am free.
I am always spreading joy wherever I go,
That is one thing about me that you should know.
I love my family and friends,
And my joking around with them never ends .
Me giving up is what you'll never see,
Hopefulness is always in me.
Being helpful to others will make unity,
Harmony is what I make in my community.
I cheer up the people who are all around me,
I smile as I walk past them all with glee.
Smiling is one of the things I do,
To show my love towards others and my crew.
If someone is down that is my cue,
To help them out as much as I can do.
My faith in God is part of me,
And it is one of my cherished qualities.
People always tell me that I am sweet,
And things that I do are always neat.
From the bottom of my heart I am thankful for,
The qualities that make me ROAR.
