

## **Thanksgiving Poem**

**By: Shane Fischer 7C**

Thanksgiving is a time of the year to be thankful for all the blessings in your life.

It is a special time to give thanks to God for all the good things in our lives.

Thanksgiving is a time for gratitude and to give thanks for the food we eat, the home we live in, the clothes we wear, and most importantly our health.

I am thankful for my family because they give me unconditional love.

I am thankful for family vacations because I get to see many new places, and I will cherish the memories forever.

I am thankful for my school because they provide me with an excellent education.

I am thankful for living by the beach because it is beautifully relaxing, and fun.

I hope that the war between Russia and Ukraine will come to an end and no one else will die.

I wish that covid will come to an end. I pray that they find a cure for cancer.

What are you thankful for?
