

I'm Thankful for who I Am

by Alyssa Ortiz

I'm kind and caring
sweet and sour
I'm thankful for who I am

I'm thankful for who I am
I'm thankful for my talents
I love my ability to draw
And my ability to make stories
I'm thankful for my talents
I'm thankful for who I am

Im able to bring joy to others
I'm also able to be happy
Im thankful for who I am
