

## **Some Qualities I am Thankful For**

Thanksgiving is a time to thank God for all that He has done for us. During Thanksgiving, we thank God for things such as qualities that he has given us. Some of the qualities God has given me include: Bravery, Strength, Athleticism, and Smartness. These are some of the many qualities that God has given me and I couldn't be more thankful.

I am thankful for these qualities because without some of them I wouldn't be who I am today. The reason I put athleticism in there is because I play football. In football, you have to be very strong and very athletic because it is a very hard hitting physical sport. Without strength I would be thrown around. I am also thankful for Bravery because without bravery I wouldn't be able to help the ones I love when they are in scary situations. Instead of helping I may just sit there and wait, too afraid to do anything.

During Thanksgiving, some people may think it's really all just about the food and the big feast that people have, but in reality it's about giving thanks to God. We have to give thanks to God to thank Him for all that He has done and given to us.
