

## What Qualities Do You Have That You Are Thankful For?

By Bryton Fagan

I am thankful for being calm, fair, and positive. These qualities are what make me who I am. My friends say that I am fair because I always have a reason. I am calm because my friends say that I am always relaxed and *chill*. My friends say I am positive after what happens. In conclusion, I am thankful for being calm, fair, and positive person.
