

-Thanks Giving-

~ by Maggie Butler 7C

Thanksgiving is the best time to be thankful
And maybe just be grateful
For all the things we know and love
Can fly out your mouth like a dove

You can spend time with your family and friends
So all feelings come to a blend
You can pray around the table
And tell some stories and fables

We place the food down
When doing this known can't even frown
Eat the pumpkin, potato and turkey
And we hope the water will not be murky

We remember the first Thanksgiving
When the pilgrims were thankful for living
We know the cheer they had
And that they were no longer sad

Now is time to think of care
The way we can always share
The life we lived and our love for others
And know we can trust our mothers

Hopefully everyone is excited
and very delighted
to celebrate this holiday
And I know that no one's ever far away....
