

“ME” by Christian Hercules

Me. I'm tall and shy. Smart
and quiet. I love new things and
I'm always down to try. I was
born a scorpio, the 21st of
November. Maybe that's why
I stay to myself. Silence is all I can
remember. I appreciate my
timidness though; it keeps me
from drama, it runs in the family.
I got it from my mama. That's
the quality I'm thankful for, it makes
Christian; Christian. This is
ME.
