

*Why We Give Thanks: Qualities of Life*

*By: Connor Lawrence*

*The quality of love is important  
For the soul  
As food for the body  
With love comes happiness that pleases the soul*

*The quality of compassion is  
The basis of kindness that warms a heart  
like a hot bowl of soup  
On a cold winter day*

*Bravery helps a Man get through  
Tough times  
Bravery makes the man fierce and strong  
It helps someone with compassion to  
Take their dream.*

*Generosity leads to a pure soul  
Pure soul lends to great pleasure and  
Fulfillment in life.*

*Loyalty is a good but a dangerous thing  
With the ones you love it can be amazing  
But with someone who steals you can lose it all*
