

Intelligence is something that I am thankful for

I always attempt to learn more

I am glad I am an outgoing child

But I try not to let myself get too wild.

I am grateful for my talent in martial arts

I always practice the tricky parts

I'm happy piano playing is one of my skills

I practice my legatos, staccatos, and trills

I am appreciative that I am kind

Because I know kindness is hard to find

I'm pleased that I respect others' beliefs

I try not to cause other people grief

I want to use my knowledge to help others learn

People helped me, and now it's my turn

I'll try to make the world a better place

For everyone in the human race

Happy Thanksgiving!
