

EZRA R.

Thanksgiving Poem

I am thankful for my many qualities
I am thankful for being able to play piano
It brings joy to others to hear me play
I am thankful for being able to dance
My family enjoys seeing me dance well
I am thankful for being able to sing
It makes my teacher happy to see I like it
I am thankful for learning to code
It's fun to learn new ways to build things
And I am thankful for being able to swim
I enjoy being able to swim in different ways
These are qualities that make me who I am
I am a person, thankful for life
I am thankful to be alive
