

## **What Qualities Do You Have That You Are Thankful For?**

**By Hamza Alawdi**

**I am thankful for being for being kind, happy, and funny. These qualities are what make me who I am. My cousins say that I am always happy because I like hanging out with them. Next, I am kind for being nice to my friends and supporting them. Then, my third quality is being funny because I make a lot of people laugh. Finally, these are the three qualities that I am thankful for.**
