

My Thanksgiving Poem

By: Hannah Lin- 5th Grade

I am thankful for some traits I have such as kindness and thoughtfulness.

Being kind can make this world a better place,  
Help a little girl with her shoelaces,  
She will appreciate it very much,  
When your angry, you cannot be a disgrace,  
The consequences will be your reputation defaced,  
So be kind and make this world a better place.

Being thoughtful can make others happy,  
Take your family to a valley,  
They will always be very grateful,  
Don't call someone's clothes wacky,  
So don't be mean and make someone sad,  
Be thoughtful and make each other happy.
